

# Free Medication Management Consultation

At Chemist King we offer our valued customers an opportunity to have a Medication Management Consult.

This will allow our pharmacist to review your medication and provide solutions to questions you may have regarding what has been prescribed by your doctor. Fill out and print the below form prior to your visit.

**First Name\***

**Last Name\***

**Email\***

**Phone\***

## Fill out and print, prior to your next visit

Have you ever forgotten to take your medication and become concerned?

Will you be travelling soon and would like to discuss safe ways to pack your medication?

Do you think your medication is not working?

Are you looking after an elderly person and would like to talk to our Pharmacist about their medication?

Would you like to know more about the medication you are taking?

Have you recently taken medication and felt unwell?

## Other

If you have any questions about any of the following, please tick one or more boxes and bring them back on your next visit to discuss with your pharmacist or phone our pharmacy to arrange a consultation appointment. Alternatively, you may wish to discuss other matters relating to your medication.

Speak to one of our friendly staff members today!
